November 2020 - May 2021

There were smiles galore as families were able to visit their loved ones, some for the first time in months, on March 23.

After almost a year of strict visitation rules and limitations, Lutheran Sunset Ministries opened our doors at the end of March (Sunset Home opened March 23 and Heckmann Assisted Living opened March 30).

The change in rules also allows us to have gatherings of residents. Everyone has been excited to get back to bingo, chapel, exercise and all of their favorite group activities!

The first day, we had more than 40 family members schedule visits. It was so great to see everyone and the atmosphere was electric!

Visitors must be screened at the front door and visits are by appointment only. If you would like to schedule a visit, give us a call at 254-675-8637.

Message from the President

We are open! Not totally, but compared to this time last year, we are open. Two essential caregivers per resident have been allowed to come in since the end of September. At the end of March, other family and friends could begin scheduling appointments to visit their friends and loved ones. How wonderful it is to see the smiles and joy as folks see each other in person! At Sunset Home and Heckmann Assisted Living, it has been a long time coming and is certainly a welcome change and transition to whatever the new normal will look like.

For our residents, it is a treat to be able to begin having some group activities in the same room and not spread out down hallways. No more call light bingo! Even with the dining room only half full, there is an air of excitement as residents renew their acquaintances with each other. Conversation and laughter fills the air. It is so refreshing and reminds us of the good old days!

We look forward to a time when we can do away with the masks and all the other restrictions placed on us to prevent COVID. If you or your loved ones have not yet been vaccinated, please consider doing so to help us out and help us keep COVID at bay.

This pandemic has not been easy on any of us, whether you work here or have loved ones here. I want to publicly thank all our teammates who have been with us since day one and continued to come to work and provide the care all our loved ones deserve. I say “our” because my mom, dad and father-in-law have all been residents at one time or another during COVID. I also want to thank those who joined our team during the pandemic. You could have stayed home or worked anywhere but a nursing home or assisted living community and you chose to join us in caring for folks in need. You are all special people and deserve the recognition. You are all healthcare heroes!

Thank you for being prayer warriors for us and getting us this far. Please pray for us as we continue to navigate uncharted waters.

Rodney Rueter, CEO/President

Reunited and It Feels So Good

In January, all residents, staff and essential caregivers were given the option to receive their COVID-19 vaccine. Essential caregivers lined 9th Street to get their shot!

Sunset Spotlight

When COVID hit close to home, we needed team members to take care of our residents who contracted the virus. We want to recognize these incredible staff members and share some of their reasons for volunteering.

“The reason I worked in the COVID Unit is because I could see that people I loved got sick. I wanted to comfort them since family was not allowed. I wanted to do my best for them and their families.”

-Inez Sanchez, nurse for 7 years

“I never thought of not doing it. It was something that was important for me to do. We had to save as many people as we could.” -Betty Perez, nurse for 23 years

“I didn’t see them as having COVID. I was needed to take care of them.” -Maria Chavez, CMA for 20 years

“I felt it was part of my job to help and assist our residents in need and other coworkers. I love my residents!” -Sandra Sanchez, CNA for 2 years

“I love what I do. I felt it’s my duty to help as much as I can.” -Shannon Bible, medication aide for 3 years

“That’s why I became a CNA – to help those that cannot help themselves. We are a family. Not simply coworkers. Not simply residents. Family. ”-Elizabeth McGowen, CNA for 6 years

“I love helping people and taking care of those who need a little extra care.”-Adley Mangham, CNA for 7 years

These staff members have stepped up in the most selfless way during the pandemic. LSM residents, families, fellow coworkers and administration will never forget the sacrifices made by some of our most noble team members!

Thank you to these healthcare heroes!

For the Love of Animals

On a beautiful spring day in April, an assortment of animals formed a petting zoo for our residents.

Volunteers and staff brought a pony, goats and sheep to LSM to visit the residents. We also had chicks and ducklings that temporarily lived with us, which added to the excitement!

Amy and Mildred, members of the activities team, also took a few of the animals down to Heckmann so our assisted living residents could experience the joy, too.

“They all gave up naptime to come see them, pet them and hold them,” said Heckmann Manager Sherrie Bradley. “The smiles and talks of memories with their own farm animals was priceless!”

“The smiles and talks of memories with their own farm animals was priceless!”

We owe a big thank you to the owners of the animals -Cindy Baccus, Gabriel Martinez, Mary Ann Brandenberger and Lance Allen - for sharing their furry friends with our residents!

Lutheran Sunset Ministries

#1 Retirement Community!

We are thrilled to have been named the number one retirement community in Bosque County!

We would also like to congratulate Rainbow Village resident Sue Fielden on being named Best Volunteer.

The Joy of Music

Live music returning to Sunset Home is one of our biggest blessings. We kicked off summer with a concert by Jay and Tammy, some of our residents' favorite singers. There's nothing like experiencing the joy of music together (we might have had some fun taking pictures, too)!

Rainbow Update

We are pleased to introduce Michelle Lueck as our new Rainbow Retirement Independent Living Manager! Previously, Michelle managed our Companion Services Program.

“I have always had a love and passion for caregiving, especially with our senior population,” she said. “The thing I enjoy the most is time spent with residents, just visiting. There is so much to learn from this group!”

Michelle’s favorite part of working at LSM is the caring Christian environment, “not only for our residents but employees as well.”

Since taking over, Michelle has been planning events to keep the residents busy. “My favorite so far is the Burgers and Bluebell event because it was the first one where we could all be together,” she said. “We have also had happy hours, holiday celebrations and we’ve started monthly birthday parties. It’s just a blessing to be able to gather together.”

**Congratulations to Class of 2021
LSM Scholarship recipient
Kaitlyn Amundson.**

**Kaitlyn received the scholarship,
presented on behalf of our
residents, at the senior banquet.**
